SUMMARY

High-functioning full-stack web developer with an eye for design. I would be a great addition to a start-up that needs a Jane-of-all-trades to create web apps and content, but would feel equally as comfortable working in a larger company in a more focused, team-oriented role. I am an excellent communicator, honest, achievement-driven, and a quick learner.

PROGRAMS AND SKILLS

Web Development	Marketing	Administration
<ul style="list-style-type: none">• HTML• CSS• JavaScript• jQuery• Node JS• Express• Heroku• GitHub• Shell Scripting	<ul style="list-style-type: none">• Facebook• Instagram• TikTok• YouTube• Google Ads• Adobe Photoshop• Adobe Illustrator• Wix• Word Press	<ul style="list-style-type: none">• Microsoft Word• Microsoft Excel• Microsoft Outlook• Apple Pages• Apple Numbers• Google Docs• Square• Dropbox• Typing: 78 WPM

PROJECTS

- [GitHub User Map](#)—fetches information from various APIs, processes and displays on an interactive map
- [Flash Card App](#)—a tool teachers can use to upload vocal words that students can then practice
- [Online Portfolio](#)—a web-version of my programming and web-design work

EXPERIENCE

Web-Marketing Director	Thirdway LLC	2017-Present
<ul style="list-style-type: none">• Responded to a continuous influx of e-mail and social media inquiries in a professional and timely manner• Wrote engaging copy for Instagram, Facebook, and Twitter accounts and set goals for social media engagement• Created original artwork for websites, t-shirts, posters, social media, and album covers• Styled photo shoots and music videos and collaborated with artists to create stimulating visual content• Handled interviews and communicated with local media to market events• Scheduled and conducted public performances, meetings, rehearsals and photo shoots

Coordinator of Volunteers
and Web Communications

Habitat for Humanity

2010-2011

- Maintained company website by employing an eye for web design and coding skills
 - Designed graphics for posters and t-shirts for community events
 - Managed the company e-mail distribution database
 - Communicated with company administrators, donors, and community partners to create accurate copy for company publications
 - Wrote and distributed a bi-weekly company newsletter
 - Used event management and ticketing apps to register participants for large-scale community events such as the Walk Home 5K and Women's Build
-

Higher Education Leadership

Whitworth University

2006-2010

- Served as an elected representative of my peers as the freshman dorm Senator for Whitworth's student government
 - Coordinated with various university departments to implement and publicize campus-wide events
 - Served as a Resident Assistant and planned weekly activities to foster deeper relationships and support among residents on my hall
 - Planned and publicized four three-hour activities per month for the entire dorm as well as one campus-wide event per semester
 - Coordinated schedules for student workers as the Student Manager at the campus fitness center
 - Designed and implemented fitness incentive programs for students, staff, and faculty by obtaining prize donations from local businesses, publicizing the programs on campus, and managing incoming participant data
-

EDUCATION

- Bachelor's Degree of Arts in Mathematics— Whitworth University, 2010
 - Bachelor's Degree of Arts in Spanish Language—Whitworth University, 2010
 - Master's Degree in Teaching—Whitworth University, 2012
 - SkillShare Courses—Photoshop, Illustrator, Graphic Design, Web Development
-
